The Mechanics of the SSC CGL Exam

Tier 1: The Gatekeeper

Status: Qualifying nature only.

Format: 100 Questions, 200 Marks, 1 Hour.

Penalty: -0.5 marks for wrong answers.

Tier 2: The Merit Maker

Section 1: Math (30 Qs) + Reasoning (30 Qs) = 180 Marks.

Section 2: English (45 Qs) + GK (25 Qs) = 210 Marks.

Section 3: Computer (60 Marks, Qualifying) + 15-min Typing Test.

Total Merit Score: Out of 390 Marks. **Penalty:** -1 mark.

Watch: Decoding the SSC CGL Exam Pattern

SSC CGL Syllabus Deconstructed

Mathematics

**Arithmetic &
Advance Math**

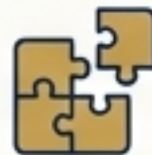

English

- **Vocabulary:** Synonyms, Antonyms, Idioms, One-Word Substitution
- **Reading:** Cloze test, Passages, PQRS
- **Grammar:** Spotting errors

Reasoning

**Sequence and
pattern recognition**

General Knowledge

**Static GK + Current Affairs
(Study only 1 month prior
to the exam)**

Strategic Insight: Mastering Previous Year Questions (PYQs) is the proven shortcut to cracking all four quadrants.

Govt Teacher Vacancies

Synthesis: The Ultimate Comparison Matrix

Comparison Factor	SSC CGL (Executive)	Government Teaching
Academic Barrier	Low (Any simple degree)	High (Subject specialization + B.Ed + CTET)
Selection Process	Tier 1 + Tier 2 (Pure written merit, no interview)	Written Exam + Interview (Subjective evaluation)
Physical Standards	Mandatory height/vision tests for prime posts	None required
Financial Ceiling	High (Up to 75k net starting for Level 7)	Moderate (Up to 47k net starting for PGT)
Career Vibe	Enforcement, Administration, Office/Field	Nurturing, Academic, Community-focused

Watch: SSC vs. Teaching:
Which should you choose?

Preparation Strategy & Timelines

Path A: The College Student (The Slow Burn)

Start: Day 1 of graduation.

Time Commitment: 2 hours/day consistently.

Outcome: Exam-ready by final semester.

Core Advice: Regardless of the path, rigorous repetition of Previous Year Questions (PYQs) is the ultimate differentiator.

Path B: The Post-Graduate (The Deep Dive)

Start: Post-degree clarity.

Time Commitment: 6 months of intense focus, 7-8 hours/day.

Outcome: Rapid skill acquisition and readiness.

Watch: Study Timetable & Preparation Strategy

Your Next Steps

1. Commit to a Path

Choose the Executive or Academic route based on your degree and temperament.

2. Gather Intelligence

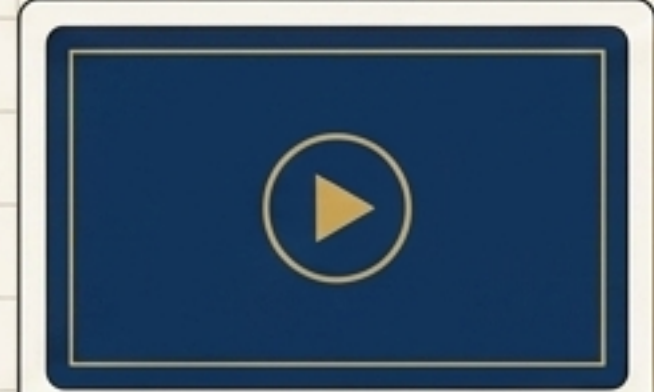

Download the latest syllabus and last 5 years of PYQs.

3. Build the Habit

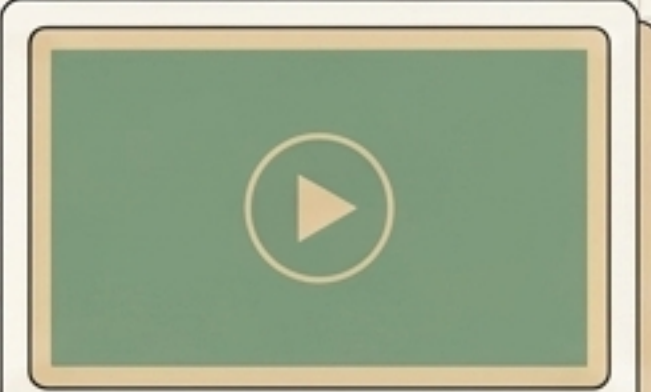

Schedule your daily 2-hour or 8-hour block starting tomorrow.
